

Dear Kiddie Academy of Hoboken families,

Happy July! We are so happy to be bringing in the summer with you all.

We have a very exciting summer ahead of us! All of our classrooms here have so many exciting summertime activities in store and we will definitely be enjoying the sunny, warm weather outside on the Pier.

Please don't forget to send in sunblock and any other sun necessities - hats, sunglasses, and sippy cups for water.

We will be having a very special event here on Saturday, July 30th - our annual Storytime LIVE! event!

Please come and join us anytime between 11:00 AM and 2:00 PM for some fun activities, light refreshments, and a really special guest visitor - Curious George!

We hope to see you there.

Best Regards,

Gina Palmiero, M.A.

Join us for Storytime LIVE!

Reading can introduce children to new ideas, experiences and concepts that let their imaginations run wild. At Kiddie Academy, reading together is an essential part of preparing for school and for life, as it helps to build essential speech, communication and literacy skills. Reading aloud is widely recognized as the single most important activity leading to language development. This summer, Kiddie Academy invites children and their parents to **Storytime Live!** at participating locations, to listen to a story and enjoy a live visit from Curious George as he jumps off the page and into the classroom!

Did you know that students who are exposed to reading before preschool are more likely to do well in all facets of formal education? As a parent, you have the power to boost your child's learning potential simply by making books an integral part of their lives. Engaging children in an exciting and enjoyable group educational experience lays the groundwork for a successful transition into a school setting and a lifetime love of reading and learning.

The **Storytime LIVE!** event is free at participating locations and open to everyone - current students, new friends who would like to learn more about Kiddie Academy, or anyone who would simply like to share a special experience with their child.

Research shows that reading aloud to young children is not only one of the best activities to stimulate language and cognitive skills; it also builds motivation, curiosity, and memory.

Kiddie Academy will host three **Storytime LIVE!** events this summer—on Saturday, **July 30**; Saturday, **August 27**; and Saturday, **Sept. 24**.

For a list of participating Storytime LIVE! Kiddie Academy locations, or to register for the event, please visit www.kastorytime.com. For more information about Kiddie Academy, please visit www.kiddieacademy.com.

Join the adventure and get lost in your imagination as Curious George jump off the page and visit us in the classroom! See you this summer!

Happy Birthday!
