

Penguins Newsletter

During the month of August we explored everything about us! We were little musicians in a marching band, artist making our own fun creations, and learned about using our imagination. It was so much fun to play and learn this month!

Week 1: Farm Animals

During this week the children will learn about different animals on the farm, how we get our milk, and how to make butter.

Sign: Animals

Barnyard Dance!, Sandra Boynton

Week 2: Forest Animals

This week the children will observe animal tracks, learn about night and day animals and winter in the forest.

Sign: Tree

Babies of the Wild, Carl R. Sams and Jean Stoick

Week 3: Birds and Bugs

This week the class will learn about the bugs and birds we see every day. The children will go bird watching, measure caterpillars, and go on a nature walk.

Sign: Crawl

Are You My Mother?, P.D Eastman

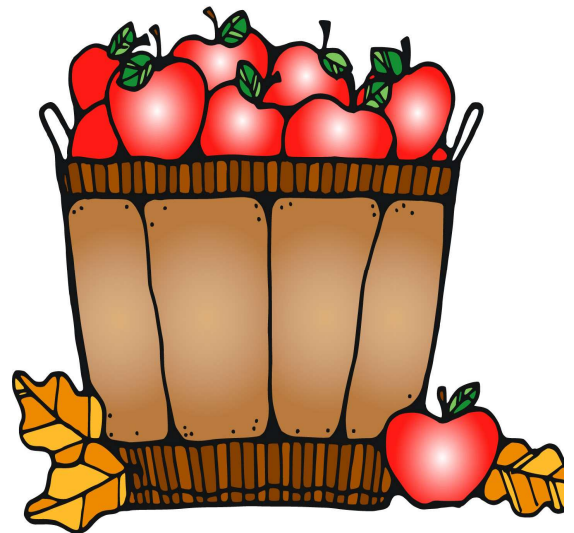

Week 4: Water Animals

This week children will dive into the ocean to discover what creatures live under the sea! They will learn that some water animals have fins while others have lots of arms to

Sign: Water

Character Essentials:

Our theme is "We are Friends" this month. We will be talking about what a good friend is, and how we can be good friends to others.

Special Dates

Labor Day 9/6
