

## April Wrap Up

In April, we continued to learn all about our senses and also about springtime bugs and animals. We got to read and explore spring themed books and songs along with a ton of sensory experiences for the infants.

In May, the Ladybugs are going to learn about their families and friends. We will share our family pictures that have been brought in and pictures we have taken with each other. During the month of May, we will also have some picnic fun and learn about the different fun things to do outside.

### **Books:**
