

NOVEMBER NEWSLETTER

Last month, the Butterflies were introduced to lots of Fall themed activities! We also played around with pumpkins, and each child got to create their very own Jack-o-Lantern! We enjoyed learning about families and parts of families.

Along the way, the Butterflies got to read new books and hear new songs during circle time!

This month, we are going back to basics! It is important to keep introducing some of the same concepts year round in order to really help the children thrive! Through repetition, practice, and lots of fun our Butterflies will fly high with a great mind by focusing on numbers, shapes, colors and fruit!

During the last week of November, we will also be centering our theme around Thanksgiving and Turkeys!

LESSON PLANS

WEEK ONE and TWO: NUMBERS

WEEK THREE AND FOUR:

SPECIAL EVENTS

November 15th- Veteran's Day

November 25th- Thanksgiving!
