

# Precious Penguins November Newsletter

During the past month, our students learned to identify emotions and we encouraged them to use their imagination. They enjoyed pretending to be dinosaurs and stomping around on rocks. After a fun month of reading new books, using our imagination and learning about instruments we are ready for November. Our new topic this month is, "Explore". In this new month students will get to explore different environments!

Theme for the month: Explore

Week 1: On Safari

Week 2: Outer Space

Week 3: The Rainforest

Week 4: The Ocean

Character Essential: We Are Thankful

The goal this month is for the children to recognize and be grateful for the people, experiences, and possessions in their life.

Spanish Words

fantastic = fantastico

great = estupendo

Celebrations and Reminders

November 26, Happy Thanksgiving!
