

# Turtles November Newsletter

## Wrapping up October

The month of October was packed full of fun and educational activities. We enjoyed learning new songs, colors, new words, and creating different sensory projects! We look forward to our classroom growing in the month of November.

## Stepping into November

We are looking forward to a fun filled month! During this month, the children will learn and explore things related to fall. We will continue to explore with leaves and engage in active movement indoors and outdoors (When the weather allows us to). Also, we have excited to continue growing with all of our new peers in the classroom!
