

KIDDIE ACADEMYSM

EDUCATIONAL CHILD CARE

Kiddie Academy of Stonebridge McKinney
6300 Virginia Parkway
McKinney, TX 75071

How to Use our New Public Payment Website

We are happy to announce that Kiddie Academy now has a Payment Website for you!

There are two ways in which you can find our Public Payment Website...the first is to simply visit our Home Page <http://www.kiddieacademy.com/stonebridge> and click onto Academy Overview, then Parent Resources, click onto the "Online Payment via Upsilon" link. The other way is to visit: <https://www.upsilonpayments.com/kiddieacademy-stonebridge> (you may want to also add this URL to your Favorites in your Web Browser for quicker access)

The benefit of using our Public website is that you now have:

- 1) The comfort of online bill paying at your disposal
- 2) Flexibility of payment methods – from Checking/Savings Accounts to Card Payment companies such as Visa, MasterCard, and Discover. Our website assesses a 2% fee on Card Payments.
- 3) An easily retrievable and accessible Payment History which can be downloaded into a Microsoft Excel file for further use (such as for Taxes).

Our Payment website is easy to use and secure (using 256-bit encryption as well as Microsoft Transparent Data Encryption). **Here how it works:**

Step 1: Create your own Username and Password...please keep your password readily available for easy reference and also in a safe and secure environment.

The screenshot shows the Kiddie Academy Educational Child Care payment portal. At the top, it says "Pay Your Tuition". The main header includes the Kiddie Academy logo and "EDUCATIONAL CHILD CARE". On the left, there are links for "Pay Portal Home", "Forgot Password", and "Refund Policy", along with a Trustwave security badge and a "Privacy Policy" link. The main content area features a "My Wallet" section with "Recurring" payment options. Below this is a "Quick Logon" form with fields for "UserName or Email:" and "Password:", a "Remember me?" checkbox, and a "Log On" button. A "Quick Register" form is also present with fields for "UserName or Email:", "Email:", "Password:", and "Confirm password:", and a "Register" button. A "Get The App" button is at the bottom left. A text box on the left explains that for repeat visits, users should log on with their username and password. A callout box on the right explains that users should create their own username and password, include their email address, and click Register to begin making payments and receive a Welcome Email.

Step 2: Enter the amount being paid and choose Payment Method (Check or Card).

Keep a variety of payment methods in our secure E-wallet...

 **My Wallet**
choose the way you pay

 **Recurring**
choose when you pay

Set up a recurring payment either on a weekly, two week, 4 week or monthly basis.

You have no current recurring payments.

Recent Payments And Comments

Payment Date	Payee Name	Amount	Last Comment
You do not yet have any payments applied. Showing 1-0 of 0 Prev Next			

You will always be able to see the 5 most recent payments you have made and you can see if you have a recurring payment set up in this box.

Step 3: Enter your financial information (you may wish to hit the Remember Payment Information for repeat usage but rest assure that this information is encrypted) and then hit Make Payment.

Step 4: At the time of payment you will receive a confirmation of payment, a confirmation of payment email sent to the email you entered at the time of Registration and this confirmation of payment will also be available on your View Payments Page. You will have a history of your payments by visiting the My Payments link...
