**Artsy Thursday:** make a wearable item

**Family Friday:** dress up like someone in your family of KADP family

## SPRING IS IN THE AIR

as we approach warmer days ahead we ask that you bring in sunscreen for your kiddo(s)

Please note that this sunscreen must be lotion form. We cannot use aerosol sunscreen in the building!

When you bring your kiddo's lotion to us, we will label them for individual use and keep them in a cabinet. We will reapply after PM Snack and give sufficient time for it to do its job before heading out.

In the mornings we ask that you have your child sunscreensed and ready to go! If you have forgotten that day, shoot the classroom an email or leave a note on Tadpoles so we can put in on for you. We want to make sure these kiddos are safe and taken care of before heading into this beautiful sunshine!

Tell us how we're doing, by completing a Listen 360 survey! You can rate us, and give a few comments about why you love KADP! We really appreciate your feedback, and it helps us know what is working for you and your family. Reach out to me with any questions [ecicotte@kiddieacademy-stl.com](mailto:ecicotte@kiddieacademy-stl.com). Thank YOU!

Elyce Cicotte – Director KADP
