KIDDIE ACADEMY®
EDUCATIONAL CHILD CARE

Our all-inclusive programming includes:

COOKING ACADEMY

- Teaching children to cook provides skills they can use for a lifetime.
- We offer cooking classes twice a month starting in our 2-year old classrooms, and continuing with our Preschool, Pre-K, and Junior Kindergarten students.
- Cooking together builds your child's social skills while also introducing the importance of making healthy food choices.

Developmental Benefits

- Builds fine motor skills
- Develops eye-hand coordination skills
- Encourages problem-solving
- Boosts self-confidence
- Improves ability to follow directions
- Supports language development

MUSIC & MORE

- Our music enrichment program is a fun, active and engaging multi-sensory experience for your child.
- We introduce a variety of instruments, songs, and dances throughout our classrooms.
- Beginning in our infant and toddler classes, your child will explore age-appropriate instruments.
- We offer more structured music classes starting in our 2-year old classrooms, and continuing with our Preschool, Pre-K, and Junior Kindergarten students.

Developmental Benefits

- Builds fine and gross motor skills
- Allows for self-expression & creativity
- Introduces foundational concepts for later reading and math skill-building
- Supports language development
- Boosts self-confidence

KIDDIE ACADEMY®
EDUCATIONAL CHILD CARE

Our all-inclusive programming includes:

CHESS ACADEMY

- Story-based chess lessons challenge your child and support this critical period of brain development.
- Our students participate in weekly 30-minute lessons, and we host a chess tournament at the end of each school year.
- We provide chess classes to our Pre-K and Junior Kindergarten students powered by:

STORY TIME CHESS

Developmental Benefits

- Enhances verbal, math & memory skills
- Encourages problem-solving
- Boosts self-esteem & critical thinking
- Improves ability to follow directions
- Supports language development

SOCCER ACADEMY

- Soccer lessons complement our Life Essentials® curriculum with a focus on physical exercise and character development.
- We offer soccer lessons twice a month for our 3's and 4's classrooms.
- Classes are taught by trained soccer coaches and powered by:

Soccer Shots®

Developmental Benefits

- Builds gross motor skills
- Develops balance
- Encourages teamwork and cooperation
- Boosts self-confidence
- Provides healthy exercise
- Supports social skills and character education
